

5 March 1958

MEMORANDUM FOR: Navy Department
Bureau of Aeronautics, Photography Division

ATTENTION: Capt. Jesse L. Pennell, USN

1. A current project has brought about a requirement for a camera transit. The Navy Photographic Interpretation Center was contacted for the purpose of borrowing their Fairchild instrument. They have signified their approval, contingent upon concurrence from your office.

2. It would be appreciated if the PIC Fairchild camera transit, with accessories, could be loaned to us, for use by trained personnel of this office, for a period of about four weeks. Necessary arrangements for picking up the instrument, etc., can be made between [redacted] of PIC and [redacted] of this office. [redacted]
